## Pupil Acceptable Use Agreement - KS1

*'We are all God's children  
and will try to live, love, work and  
serve as Jesus taught us.'*

At St. Joseph's, we make sure that everyone feels safe in school at all times. Staying safe when you are using the computer and on the internet - whether at home or at school – is very important too. These rules will help to keep you safe. Your teacher will explain them to you and you can discuss them in class. Once you have understood them, you can put your name at the bottom of the agreement below and we will give you a copy to take home.

- I will only use the internet or computer when a teacher or adult is with me
- I will only use my own login and password and I will not tell anyone else what it is
- I will not look at or delete other people's files
- I will not bring in memory sticks from home without permission
- If I see anything that upsets me, I will tell an adult
- I will not give out any details about me – like my name or address
- I know school will check my computer and be able to see what I am doing and what sites I have visited
- If I break these rules, I know I may be stopped from using the internet and/or computers
- If I see anything I am unhappy with, or I receive a message I do not like, I will not respond to it, but I will turn off my screen then tell a teacher or a responsible adult
- I have read the school rules for using IT in a safe and sensible way and my teacher has explained them to me
- I understand and agree to these rules and I know that they are there to keep me and my family and friends safe
- I will use the computers, Internet, e-mail, digital cameras, laptops and ipads and any other IT in a safe and sensible way
